“Prior to drafting any contract for goods or services, the responsible party or the decedent’s survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.”

The goods and services shown below are those we can provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICE FEE \$1695

Our services include: consultation with the family; administrative and clerical services; securing, preparing and filing necessary permits and/or certificates with the appropriate agencies; and coordinating with cemetery, crematory, or other third parties. In addition, this fee includes proportionate share of our overhead cost. This fee for our basic services will be added to the total cost of the funeral arrangements you select (This fee is already included in our charges for direct cremation, immediate burials and forwarding or receiving remains).

EMBALMING \$650

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing.
